Precipitation probability					
00%	20%	30%	60%	80%	80%

Forecast for Saturday 06 May 2023

Weather: Dry but mostly cloudy at first, with patches of low cloud covering the hills. The cloud will lift quite rapidly, allowing brighter skies for a time but conditions will deteriorate from the south around lunchtime, with rain spreading erratically north-eastwards across the region during the afternoon. Some heavy bursts possible. Turning murky with extensive low cloud, mist and drizzle during the evening.

Chance of cloud-free hill tops above 600m: 50-70% in the morning but becoming 10-20% in the afternoon, less than 10% in the evening.

Low cloud and visibility: Mediocre at first in low cloud, with cloud bases as low as 300-400m. This will lift during the morning, with cloud bases near the hilltops and visibility becoming good for a time. A deterioration is expected from the south during the afternoon, with low cloud spreading north and cloud bases as low as 300m.

Meteorologist's View

Nothing to add.

Recent rainfall: measured at Cat & Fiddle: altitude 511m

Recorded at	Last 24 hours:	Last 48 hours:	Last 72 hours:
02:00 on Sat 06 May 2023	3.6mm	4.6mm	4.6mm

Forecast for Sunday 07 May 2023

Weather: Low cloud and outbreaks of rain or drizzle through the early hours. Cloud tending to lift and break after dawn, with some sunny spells developing. However, this may allow isolated heavy and perhaps thundery showers to form, mainly in the east of the Park. Showers dying out during the evening.

Maximum wind: West or southwest 10-15 mph.

Chance of cloud-free hill tops above 600m: 10% at first, becoming 90% during the morning.

Low cloud and visibility: Widespread low cloud bases 200-400m during the early hours will slowly lift and break above the hilltops during the morning. Cloud may reach the summits in any heavier showers in the east of the Park. Generally poor or very poor visibility will become generally good, but temporarily poor in any afternoon showers.

Temperature: **Valleys:** Plus 11C becoming plus 18C
At 600m: Plus 10C
Freezing level: Above the hilltops
